# THE 11 PRINCIPLES OF BLAZING SWAN

## 1. RADICAL INCLUSION

Anyone may be a part of Blazing Swan. We welcome and respect the stranger. No pre-requisites exist for participation in our community. Every person in our community is a valued member.

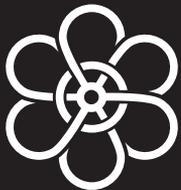

## 2. GIFTING

Blazing Swan is devoted to acts of gifting: giving freely, without expectations of return or exchange. The value of a gift is unconditional. A gift is anything given in this spirit, whether it is a physical item, a service or performance, or something less tangible, such as friendship or companionship. Everyone has gifts to give.

## 3. DECOMMODIFICATION

In order to preserve the spirit of gifting, our community seeks to create social environments that are unmediated by commercial sponsorships, transactions, or advertising. We stand ready to protect our culture from such exploitation. We resist the substitution of consumption for participatory experience.

## 4. RADICAL SELF-RELIANCE

Blazing Swan encourages the individual to discover, exercise and rely on his or her inner resources.

## 5. RADICAL SELF-EXPRESSION

Radical self-expression arises from the unique gifts of the individual. No one other than the individual or a collaborating group can determine its content. It is offered as a gift to others. In this spirit, the giver should respect the rights and liberties of the recipient.

## 6. COMMUNAL EFFORT

Our community values creative cooperation and collaboration. Volunteers are the life force of our community. We strive to produce, promote, and protect social networks, public spaces, works of art, and methods of communication that support such interaction.

## 7. CIVIC RESPONSIBILITY

We value civil society. Community members who organise events should assume responsibility for public welfare and endeavour to communicate civic responsibilities to participants.

## 8. LEAVE NO TRACE

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

## 9. PARTICIPATION

Our community respects the environment. We are committed to leaving no physical trace of our activities wherever we gather. We clean up after ourselves and endeavor, whenever possible, to leave such places in a better state than when we found them.

## 10. IMMEDIACY

Be Here Now. We seek to overcome barriers that stand between us and a recognition of our inner-selves, the reality of those around us, participation in society, and contact with a natural world. Be aware of yourself, of others, of your surroundings and your place in our community and the world. No idea can substitute for this experience.

## 11. CONSENT

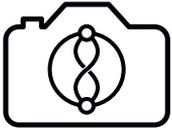

Respect the autonomy of the individual. Every person has the right to make decisions about their own body, property, and personal space.

*What you see as a gift might be a curse if it is unwelcome (or unwanted), so when giving a gift, entering someone's personal space, taking a photo or video, or using someone's property, ask permission first. Only proceed if there is consent between all parties. Do not ever assume that you have consent based upon what a person is wearing or how they are acting. Consent must be mutual, definite, and given consciously, and persons are free to change their mind at any time.*

*Remember that consent for one act does not imply consent for all acts, and consent given once does not mean that you have consent every time.*

*No always means no.*

# PHOTOGRAPHY

## ASK FOR CONSENT

Always remember to ask for CONSENT to take photos of people at Blazing Swan. You can even use your THUMBS-UP or THUMBS-DOWN to be less obtrusive when your subject is enjoying the moment.

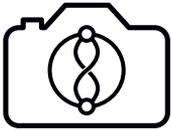

Never take photos of people in private or compromising positions without their permission.

# THEME CAMPS

## THEME CAMPS

A-Z

Find Theme Camps on the WTF Map in the centre-fold of this booklet.

### ABODE CAMP

(AB) MAP: 0-8

*An alternative "home"  
inclusive of everyone*

We are a collective from Perth and Fremantle with a unified passion in creating the quintessential Blazing Swan sound camp. Powered by a custom Funktion 1 sound system, our camp will cater to the niche sounds that we feel are currently lacking at Blazing Swan: Ambient, Dub/Reggae, Downtempo, Hip Hop, Garage, Liquid D&B, Oldskool Trance, Psybient, Acoustic, Folk and other aural delights. To compliment the atmosphere our world class musicians will create, we will construct a wood fired pizza

oven utilising the clay on site at Jilakin Rock City! To top things off, we will also run a series of wellness & creative workshops, games and activities. Our goal is to create a theme camp that is both diverse in functionality and originality.

### AIDING AND A-BETTING

(AA) MAP: AIDING-12

*Life's a game, wanna play?*

Chance your luck at Aiding & A-Betting. Roll the dice, flip a card or spin the wheel to seal your fate.

### ALLIANCE

(AL) MAP: M-8

Alliance Crew are honoured to share Blazing Swan with you. Join us in our space inspired theme/sound/art camp to share in the good times, party nights (featuring international DJ's, fantastic local talents and Alliance's own crazy merrymakers), workshops (run by extremely talented artists and performers), enjoy Alliance's crazy contraptions, bespoke decor and art. Get to know the crew and have a tasty rum punch on us!

### ARUMA

(AR) MAP: F-11

*Welcome to the Aruma Art Slounge!*

Aruma is a Nyoongah word for "happy". We are a collective of artists, DJs and musicians. Come and awaken your senses in our creative space. We will be hosting various live acts and musical performances – twice per day @ 2PM and 8PM. Find us inside our brilliant new shiny red stretch tent.

# THEME CAMPS

## BABA YAGA'S DREAM YURT

(BY) MAP: G-12

### *A moment in the midst*

Explore the world of stories and the subconscious mind in Baba Yaga's Dream Yurt. Each participant will be invited to think about several questions before entering the yurt. They will be invited to explore a creative response to their own answers, and then they will be gifted with a creative response to their artwork by the two witnesses present. This is an individual experience. Responses received may be anything from a song, to a poem, to a picture, to a dance... Come, and experience a moment in the midst.

## BANANA BOMBA

(BB) MAP: O-7

A place where DJ's and Dancers unite. Sun up till sun down.

## BAD ADVICE

(BA) MAP: BAD-13

The Bad Advice Theme Camp is an unwise crew with no useful skills or talents. We offer useless, opinionated advice on any topic. We have games where everyone is a loser and guest appearances by unprofessional wannabes. BYO. We are always thirsty.

*Disclaimer: We do not recommend that you take our advice, ever.*

## THE BAKESALE

(BS) Map K-11

Well thought out compliments are our preferred condiments. This year at Blazing Swan we are building a positive environment under the theme of a bake sale; to include sound and visual productions as well as providing baked confectionery items where the only commodities are our baked goods and your good times! The Bake Sale is bringing upgraded bake stall with cupcakes, popcorn and slushies!

## THE BIRD NEST

(BN) MAP: K-11

A shimmering nest of disco beats: toe tapping, finger shaking, soul sliding goodness found inside our transparent boogie dome. Chill out in one of our baby nests or get on down.

## BIRTHDAY CAMP HUCKLEBERRY'S FARM

## CAMP UNICORN

(CU) MAP: i-10

*Rainbows, glamour tits and dress-ups!*

Have too many sweaty dreadlocks whipped you in the face, or worse, fallen in your drink while you're trying to enjoy being bombarded by shitty doof music? Do you want to go to where nothing is happening 90% of the time? Do you like rainbows and gluing shit to your tits? Are you unsure if you're a homosexual or just longing for the bedroom you had back when you were a 7yo girl? Are you uncomfortable with who you are and think getting a new outfit will somehow change things? Is the highlight of your year marching around with a phallus on your face? What other choice do you have, come find us!

## CAMP S.H.I.T. G.I.F.T.

(CS) MAP: INDIGNITY-13

*Aka the Sacred Hostel of International Travelers, Gifting Indignities with Fucking Trash!*

We're bringing y'all the Coon n' Goon, the judgment, and the SHAME. As often noted, we've no naked unicorns, no flame-throwing nuns, no delicious fucking vegans, and we're certainly not Belligerent. But we'll stuff you with cheese, baptise you in goon, and gift you with shit til your clothes don't fit :) Also Shit Gifts\*! Everything you never knew you never wanted!

Broken cups, i-phone-4 covers, dead lighters, hole-filled condoms... Take one, leave one, hell take it all. Or bring your crap on down and re-gift your Shit Gifts! *\*Occasionally contains decent gifts; these to be requisitioned by camp staff.*

## CHAINSAW COBRA

## DIRTY BIRDS

(DB) MAP: LEGS-11

Dirty Birds can often be found slapping and Kakawing loudly across the paddock, playa, your mom's house while wildly spreading debauchorous laughter and losing inhibitions (mainly yours). How else would we keep the pink in our feathers? The carrots are a myth.

## DREAM GALLERY

(DG) MAP: B-11

We'll provide the warmth, comfort, ambience and dreamy rhythms that your dimensionally skewed spaceship will need in order to take off, split through wormholes, and come out looking like a fresh daisy.

## THE FARAWAY TREE

(FA) MAP: G-9

*A place of whimsical adventure and fantastical costumes with a glittering of the unexpected.*

A day camp for all Cats, Kings, Queens, Lovebirds, Unicorns, Nightingales and Free-Spirits who want to sing and play under The Faraway Tree. For a second year, the Faraway Tree brings you Campa Palooza - a daytime mini-festival where you can eat hot chips and listen to sexy tunes, play some Blazing Beer

Pong, Giant Jenga or try your hand at the Wheel of Fortune. If festival realness is more your jam, let one of our artistes take care of all your fabularising needs in the Palace of Fabularisation (face painting, massage and hair styling).

## THE FARKAHWEE PLAYPEN

(FP) MAP: FARKAHWEE-8

*What the Farkahwee?*

Farknose, the legendary Shaman has declared acoustic musicians and their soul siblings need an alternative universe to share talent and love. Warm welcomes, hot drinks and an intimate respite from the doofiness of doofidom. Mulled wine??? Farkahwee good!

## FIRE TRIBE

(FT) MAP: K-10

Fire Tribe welcomes all fire spinners, object manipulation artists and circus folk. We provide a base to meet like-minded people, share skills and run workshops. We coordinate the Fire Conclave spectacle before the Effigy Burn, as well as running nightly Fire Jams. We are the home of fire at Blaze.

## FLUFFBOX

*Roving and pop-up camp*

*(Jilakin Rock Post)*

Pop-up and roving crew, Fluff Box, are built on a short attention span and misguided enthusiasm. Expect the unexpected; poorly planned competitions, pampering, venereal-responsible foul-mouthed fairies, and other random cheeky delights. A few treats from within the warm depths of the FluffBox...

# THEME CAMPS

FluffBox continued...

Theme Camp Speed Dating, ClockTower,  
Jilakin Rock Post, Condom Fairies.

Check the ClockTower notice board for happenings and keep an eye out for rogue surprises on the street. ...And don't forget to get YOUR box fluff'd at Blaze!
